

James Wiles

DIGITAL FILM + TELEVISION PRODUCTION

Highly motivated and passionate digital media operative and winner of the Most Enterprising Team Award at the HERO Foundation 2011. From directing and managing my own team on multiple occasions including the National British Wheelchair Basketball Tournament 2014 to taking initiative and commands during multi-camera events that I have been involved in such as Kidz Live 2014.

After taking a lead role in the filming of Worcester City FC's 2014-15 season, I was fortunate enough to capture footage that went viral and has since been featured on multiple platforms such as Skysports and Eurosport amongst others. Working in these types of unpredictable filming situations pushed me in ways I never have been before and wish to continue working in this type of environment to progress my skills.
