- **Cash Handling Experience**
- **Working independently**
- **Communication to groups and one to one**
- **Research**
- **Listening and acting upon instruction**
- **Using Briefs to develop ideas**
- **Working to deadlines**
- **Time Management**
- **Punctuality**
-

Software Skills:

- **Cinema 4D (Version 9) (Model Making and Animating) Intermediate**
- **Photoshop (Version 6) (Image Manipulation) Intermediate**
- **iStopMotion (version 3.6) (Animation) Intermediate**
- **Maya (version) (Model Making) Beginner**

Experience:

Comb Haven Leisure Park

Role: Kitchen Porter (18th March- 15th April 2011)

Although I was only in this position for a short time, I did learn to work under pressure, and to deadlines. In this job I worked long hours, which was something I wasn't used to, but I quickly adapted to.

University Centre Hastings "Spring School"

(April 1st- April 3rd 2010)

This was a College activity in which I along with other students had to develop a new use and function for Hastings Pier. The work was all group based, but also featured a pitch at the end. This was very beneficial to me as I learnt how to pitch, and advanced my creative skills, and concept generation.

Age Concern Charity Shop

Role: Sales Assistant (October 2008-April 2009)

I carried out this work in a voluntary capacity, but it gave me the opportunity to experience a working environment. In this role I handled cash, and helped run and organise the shop, and window displays. I worked with in a team of two other volunteers.
